Our Performance Tour begins at 10am and includes live performances by Fellows and hand-picked Academy students. The performances take place in both the Keyboard and Strings Galleries and can feature instruments from the Museum. The Galleries are seated and there are facilities on both floors. We may be lucky enough to see a lunchtime concert but the schedule has not been published for the Summer. This may involve an additional charge. You can have a lunch break at the Academy but I will need numbers in advance. If there is time you may wander (carefully please) across the road and spend a little time in Regents Park remembering to be back to the departure point (to be advised) by 4pm. To book your place please complete the form and return to Jenny McKay at the u3a coffee morning on February 3rd. I may be a little late but will be there. You may also post your form and cheque (made out to Camberley u3a) to J McKay, 5 Osborne Close, Frimley, Camberley, GU16 9YD. Mobile number 07866 341907 and email jmckay999@hotmail.com.
